TEXAS STATES WHAT TO KNOW!!!!

Welcome to the 28th Annual Texas State Disc Golf Championships – Presented by Innova !!!!!

For 2023 the event will return to Houston, spanning 9 area courses while playing host to a 750 player potential. Houston Flying Disc Society, Houston Disc Golf, OneStar, Lucky Ace, LEGIT DISCS and Gorilla Disc Golf have taken on the monumental task of facilitating the BIGGEST Texas States player pool EVER !!!

We are absolutely honored to have the opportunity to carry the torch of Texas States. It is our goal to both honor the cherished traditions of the States event and push forward with the growth and progress of our beloved sport. As such, we will be offering divisions not previously offered at this event. Players from MPO/FPO all the way to MA3/FA3 and JR's will get the red carpet treatment, as we promise to show the same attentions to detail to all players down the line.

This event has been made possible by the City of Houston and Houston Parks and Rec Dept. The Brock park facility is a product of their efforts as a revitalization of the area. Their vision, dedication and efforts towards realizing the goal on this project have been key. Thank you Houston and HPar !!!

Our title sponsor Innova Champion Discs has come in HUGE !!!

Innova has not just provided a SUBSTANTIAL cash and merchandise sponsorship, but they have committed to sending their event support staff and core-team to help the event run smoothly. I'll be drawing from decades of high caliber event experience as we bring the center of the Disc Golf Universe to Houston and the States players !!!

Karbach Brewing Co. will host our players party and press conference at their AMAZING Houston facility. We will utilize their Biergarten area for both. Karbach will be offering samples of their brews at Brock all weekend to all (of legal age) in attendance.

Players party will be Saturday 3/25/23 from 6pm-9pm+ at Karbach Brewing Co in the Biergarten Area.

Located at:

PARKING INFORMATION

TEXAS STATES WHAT TO KNOW!!!!

PARKING

ARV PARKING FOR DGPT PLAYERS:

Can you park your RVs etc at the park ?

Short answer- **Yes**.

Just around the corner from the main lot at event HQ, we have secured a lot specifically for the "Van lifers". There's a tennis court, plenty of warm up space etc. It will be private to players only and for your overnight use. Unfortunately, there's no electricity.

You will have the option to drive over to HQ and use the main lot while you're playing, but we will encourage car pooling to try and save space for other players.

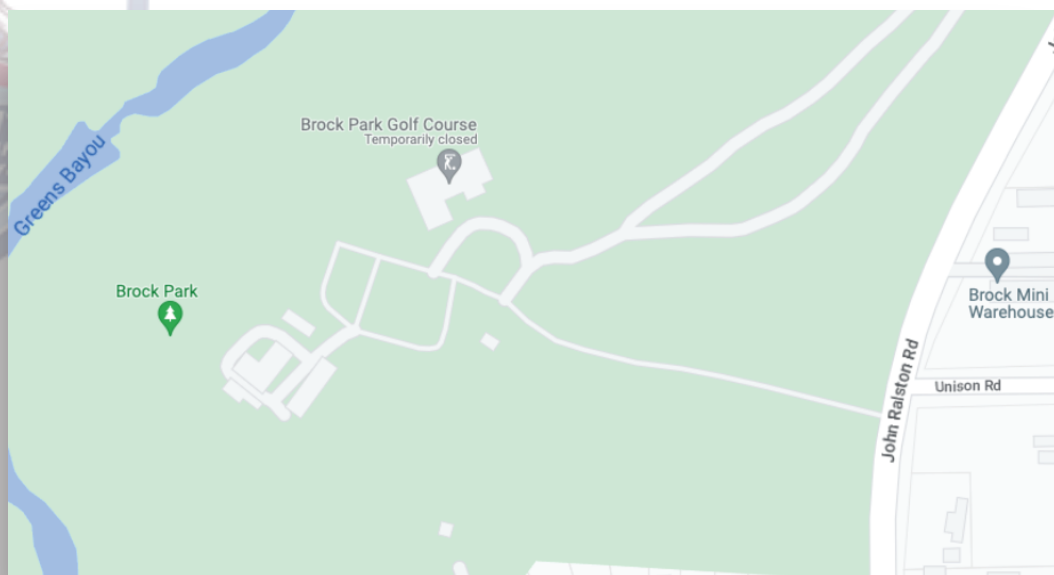

I'll provide maps, logistics and clear directions also.

The Van Life lot has an access point to the Brock courses, at hole 16 Gold, but it's about a 1/3 mile walk down a scenic concrete path.

BROCK PARKING :

A-Tier side players and spectators at Brock will be asked to park outside the gate of the main lot.

There will be street parking (free) and a pay lot (\$10 a day-cash only) directly across the street. at- 8030 John Ralston Rd, Houston, TX 77044
